

Menu::Menu

```
graph LR; A[Menu::Menu] --> B[ButtonsFunctions::OpenAnimationEditor];
```

A diagram showing a call from the Menu::Menu class to the ButtonsFunctions::OpenAnimationEditor function. The Menu::Menu class is represented by a white box with a black border, and the ButtonsFunctions::OpenAnimationEditor function is represented by a gray box with a black border. A blue arrow points from the Menu::Menu box to the ButtonsFunctions::OpenAnimationEditor box.
