

TextureManager::LoadTextures

```
graph LR; A[TextureManager::LoadTextures] --> B[Texture::TextureCreated]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'TextureManager::LoadTextures'. The right box is gray with a black border and contains the text 'Texture::TextureCreated'. A blue arrow points from the right side of the left box to the left side of the right box.

Texture::TextureCreated
